CONTRACT BETWEEN
LANE COUNTY SCHOOL DISTRICT NO. 52
and
THE EUGENE EDUCATION ASSOCIATION

This Agreement is entered into this _____ by and between the Eugene Education Association, hereinafter called the "Association" affiliated with the Oregon Education Association hereinafter called the "OEA" and the National Education Association hereinafter called the "NEA" and School District No. 52, Lane County, Oregon, hereinafter called the "District."

ARTICLE I
RECOGNITION

The Board recognizes the Association as the exclusive bargaining representative on wages, hours, and conditions of employment for all licensed teachers employed by the District except supervisors, confidential employees, and substitute teachers.

Part-time employees who work less than half-time shall not be eligible for insurance or other benefits.

Temporary employees shall not accrue seniority, and Article X - Reduction in Staff - shall not apply to such employees. However, if a temporary employee is subsequently hired by the District as a probationary teacher without a break in service, the teacher's seniority date shall be the original date of hire (1st day worked on continuous service).

A temporary teacher is defined as a teacher who is employed to fill a position designated as experimental or to fill a vacancy, which occurs after the opening of school because of anticipated enrollment or because of the death, disability, retirement, resignation, or dismissal of a permanent or probationary teacher. No teacher shall be designated as temporary in an experimental position for more than one (1) continuous calendar year.

ARTICLE II
CALENDAR

- A. The school calendar shall not exceed one hundred ninety-two (192) days, including five (5) paid holidays. Prior to official adoption or modification, the specific calendar shall be discussed with Association representatives for the purposes of receiving advisory recommendations.

- B. Should the district decide to reduce the number of work days, the impact of such decision shall be subject to expedited bargaining pursuant to ERB rules.

ARTICLE III
WORK ENVIRONMENT

The use of tobacco shall not be permitted on the grounds of the Bethel School District during the employee's work day. Supervision of students during any school-sponsored activity is considered to be on the grounds of the District.

ARTICLE IV
WORK SCHEDULES

- A. The normal work week for teachers shall be forty (40) hours including a thirty (30) minute daily duty free lunch period. Daily starting and dismissal times for teachers, which may vary from school to school, shall be determined by the District.
- B.
 - 1. Except where extenuating circumstances exist, prior notice shall be given when staff meetings are to extend more than thirty (30) minutes beyond teachers' release time. Regular release time, for the purpose of this clause, means the time at which most of the teachers involved are normally released.
 - 2. Building administrators will provide all unit members the opportunity to collaborate on decisions involving the work schedule issues in this article. For purposes of salary computation, the work day shall be fixed at eight (8) hours. For purposes of fulfilling professional responsibilities associated with teaching, an eight (8) hour work day will be flexible and will be guided by these principles:
 - a. Unit members recognize that their responsibility to students requires the performance of duties involving the expenditure of time beyond that of the student day and shall be available for student and/or parent consultation as well as other professional activities and responsibilities.
 - 1) On those occasions when unit members will not be available outside of the student day, they will notify the building office personnel.

- 2) It is not the intent of this article to require unit members to work beyond an eight (8) hour day.
- b. Unit members will make reasonable efforts to adjust their hours in order to be available to students and parents as necessary.
- C. Teachers shall also be available at the discretion of the District for faculty meetings, parent/teacher conferences, open houses and other curriculum-related activities.
- D. Teachers shall be compensated at Step 2, Column D or, by mutual agreement, provided compensatory time-off as scheduled by the District for time spent on home visits outside the normal work week when such visits are required by the District. Compensatory time off shall not be scheduled on teacher "inservice" days.
- E. At the discretion of the District, Special Education teachers may be allowed up to four (4) days per year release time or, at their option, four (4) days pay at the curriculum rate for meetings and paperwork management. Title One Teachers may be allowed up to two (2) days per year release time or, at their option, up to two (2) days pay at the curriculum rate.
- F. TEACHERS COVERING CLASSES

When an assigned teacher is absent due to school related activities, the District may assign a Bethel teacher or a substitute to that class. First preference shall be given to Bethel teachers who volunteer. When a Bethel teacher covers a class, that teacher shall be paid at Step 4, Column D or, by mutual agreement, shall be provided an equivalent amount of compensatory time.

Teachers accumulating compensatory time must use the compensatory time within thirty (30) days of accumulating a full day or the teacher will receive pay equivalent to one (1) day at Step 2, Column D.

The District recognizes its obligation to bargain upon demand by the Association the impact of any decision(s) that would result in an increase in student contact time. In such cases, the following procedure shall apply:

1. The Association will be advised in writing of any formal proposal prior to the submission of such proposal to the Board of Education. Any such proposal shall include sufficient information to allow the Association to assess its impact on teacher's student contact time.

ARTICLE V
PREPARATION TIME

- A. K-5 teachers shall be allowed at least 180 minutes per week for planning and preparation.
- B. Elementary teachers shall be allowed a minimum of 90 minutes per week during the student contact day. Teachers may, at their discretion, request a waiver of this time. Such waiver shall be subject to approval by the District and the Association.
- C. Middle school teachers shall be allowed a minimum of 225 minutes for preparation during a normal work week. Such time shall be allowed during the student contact day.
- D. High school teachers shall receive a minimum of 315 minutes weekly during the student four (4) period contact day for preparation during a normal work week. During an eight (8) period day or a student contact day of more than four (4) periods but less than eight (8) periods, high school teachers shall receive one (1) period during the student contact day for preparation. This preparation period will be the same length as the normal class period for that day.

NOTE: Prep times shall be consistent with programs adopted at each building.

ARTICLE VI
CLASSROOM CONTROL

A. **DISRUPTIVE STUDENTS**

When, in the judgement of a teacher, a student is, by his/her behavior seriously disrupting the instructional program to the detriment of other students, the teacher may temporarily remove the student from class and refer him/her to the principal. The student shall not be returned to that class or room for the remainder of the day without a consultation between the teacher and the building principal or his/her designated representative. At the teacher's request, the designated representative shall be an administrator.

At all other times, the teacher will be given timely notice of what action, if any, was taken. Such notice will be given prior to the student's return to the

classroom unless extenuating circumstances make such advance notice impractical.

B. SPECIAL ASSISTANCE

When, in the judgement of the teacher, a student requires the attention of the principal, counselor, school nurse, or other specialist, the teacher will so inform the principal. The teacher shall be included in any such conference initiated by the principal to resolve the matter and shall be advised of any action(s) taken as a result of such conference. Nothing in this article is intended to preclude any teacher from conferring informally with appropriate resource persons on routine discipline matters.

C. The disciplinary policy developed for each school building shall, upon request of a staff member, be reviewed annually by a building committee composed of teachers selected by the staff. If such review is undertaken, the committee shall work with and make recommendations to the building principal.

D. No change in the adopted procedure shall be made without first consulting with the building faculty.

ARTICLE VII
VACANCIES AND TRANSFERS

A. VACANCIES

1. A list of available positions, as established by the District, shall be maintained in the District Administration Offices. Notice of such vacancies that occur during the school year shall be posted in each building for at least ten (10) working days before being permanently filled. The ten (10) working days can be reduced to five (5) working days by mutual consent between the District and EEA.

2. Properly licensed in-district applicants for vacancies will be assured an interview as a finalist for the position.

B. VOLUNTARY TRANSFERS

1. Voluntary Transfers: A contract teacher who wishes to transfer shall indicate this desire in writing to the building principal. The District shall acknowledge receipt of the request within ten (10) days after its receipt. Teachers may indicate an order of preference for appropriate

consideration. Requests for transfers must be renewed annually no later than March 31. Transfer requests shall be accepted after this date for specific positions that become available. An interview shall be granted to any teacher who applies for a specific vacancy within five (5) days of the initial posting of such vacancy. No voluntary transfer shall be effected until a conference has been held between the teacher and the receiving administrator.

- 2. Positions available for transfer and approval for transfer will be determined by the District. For positions available for transfer, the District will follow the procedure below:

Friday prior to Spring Break or Earlier	Notice to staff of possible open positions
Not later than March 15	Letters due from staff requesting transfers
Not later than March 15	Letters due from staff on leave
After April 1	First administrative team transfer meeting
	In-building changes
	2nd notice to staff of open positions. If involuntary transfers will need to be made, the positions will be specifically identified in this notice.
	Letters due from staff requesting transfers
	Final administrative team meeting to determine transfers

- 3. For positions that become available during the summer, the District will send a notice of vacancy to all teachers who have requested consideration for such position. Such notice will be sent to the teacher's address on file. The teacher shall notify the District within ten (10) days of the date the notice is sent whether he/she desires an interview.

C. INVOLUNTARY TRANSFERS

1. No involuntary transfers shall be effected until the teacher has been notified in writing and a conference has been held with the receiving administrator.
2. A teacher being involuntarily transferred shall be informed of appropriate vacancies known at the time the transfer decision is made and the teacher involved may be afforded the opportunity to voluntarily transfer to said appropriate position. A teacher transferred through this process and required to move to another building site shall be granted reasonable time off with pay to move materials. Should the move transpire during a normal teacher break, (winter break, summer break, etc.) the teacher shall be paid at the current curriculum rate for a reasonable number of hours, up to a maximum of ten hours for time spent in moving and setup of the new site.
3. A teacher transferred involuntarily and required to move subsequent to the first orientation day shall be granted reasonable time off with pay to move materials.

ARTICLE VIII
COMPLAINT PROCEDURES

- A. If a complaint is received which, in the District's judgement, warrants investigation, such investigation shall be done in a timely manner. If the District determines that the matter warrants discussion with the teacher, such discussion will be held within two (2) working days following such determination unless it is impractical to do so because of the absence of an involved party.
- B. Such complaints which are not discussed with the teachers shall not be considered in the evaluation process.
- C. The teacher shall be entitled to representation in any formal meeting or hearing at which his/her presence is required for the purpose of investigating a matter that could reasonably result in disciplinary action being taken against the teacher.
- D. When a complaint is placed in the file, the teacher shall receive a copy and shall be given the opportunity to attach a written statement regarding the matter.

ARTICLE IX
ACADEMIC FREEDOM

GRADING OF STUDENTS

Within the framework of statewide and District standards, the teacher shall maintain the exclusive right and responsibility to determine grades and other evaluations of students relating to their classroom performance. No grade or evaluation given by the teacher shall be changed without the approval of the teacher, unless the student, parent(s), or legal guardian(s) file an appeal with the building principal.

1. Appeals shall be heard by a review panel consisting of a teacher appointed by the student's teacher, the building principal, who shall act as chairperson, and a district patron appointed by the other two panelists.
2. The student's teacher and complainant have the right to present to the panel.
3. The panel may change the grade, establish additional requirements or refuse the appeal.
4. The review panel's decision shall be final and binding.
5. If the student's teacher has left the District or otherwise is unavailable, the Association shall appoint another teacher as a representative.

ARTICLE X
REDUCTION IN STAFF

A. **LAYOFF**

Prior to formal consideration of reduction in force by the Board, the EEA will be given written notification of reasons RIF is necessary and programs being considered for impact. EEA shall be given reasonable opportunity to give written input to the superintendent or designee on these recommendations. The reasons for RIF shall not be grievable. When the Board has formally considered a reduction in force, it will immediately notify the Association. Such notice will be in writing and will indicate the programs that may be affected. Employees within the affected program(s) shall be considered for retention or recall on the basis of seniority within areas of TSPC or non-TSPC certification, however, teachers shall not have a contractual right to "bump" or to be recalled into positions requiring certification in areas in which the teacher has not taught in the District within the previous five (5) years, or educational attainments or

both, but not based solely on licensure. The District may, at its discretion, consider a teacher's willingness to undergo additional training or pursue additional education in deciding upon questions of competence. A teacher holding only a pre 1965 5-year certificate will be considered certified in the area(s) of major assignment within the District. Employees to be laid off and the Association shall be provided notice at least sixty (60) days in advance, except when the layoff is a result of loss of or failure to obtain financial resources.

Seniority shall be defined as the employee's total length of service since the last date of hire. Any teacher who is to be laid off will be so notified in writing as soon as practically possible. Such notice will include the proposed time schedule and the reasons for the proposed action. When two or more teachers have equal seniority within a certification area, layoff shall be determined by date of hire. Date of hire means the date the Board approves the employee's contract offer. In the event of ties, layoffs shall be determined by lot.

B. RECALL

If, within twenty-seven (27) months of layoff, a vacancy occurs within the District for which the laid off teacher is qualified, the recall procedure outlined below will be followed:

1. At the time of layoff, the District shall provide laid off teachers the opportunity to express in writing a desire to return to the District. The District shall also receive the teacher's address for recall notification. In the event of a recall, the District shall notify a teacher who has expressed a desire to return to the District of the recall by certified mail, return receipt, sent to the last address given by the teacher to the District Office.
2. At the time of layoff, the teacher may indicate in writing his or her desire to return to the District and may provide the District with an address to which notices shall be sent. The teacher will have sixteen (16) days from the receipt of such notice or return of letter to the District to notify the District in writing of his or her intent to return within sixty (60) days of the date of such notice. Failure of the teacher to so respond within the time herein specified shall terminate such teacher's right to recall.
3. Laid off full-time teachers retain their full-time seniority rights during the twenty-seven (27) months of recall even if they accept or reject a less than full-time position. Laid off part-time teachers retain their part-time

seniority rights during the twenty-seven (27) months of recall even if they accept or reject a position of less than .5 FTE.

ARTICLE XI
JUST CAUSE

- A. Just cause applies to written reprimands, teacher suspensions, and teacher discharges.
- B. When the District dismisses or discharges a contracted teacher, the District will, at the Association's timely request, consider allowing an appeal of such dismissal to binding arbitration. If the District elects arbitration, the arbitrator shall use the same reasons, rules, and levels of evidence as are required for the Fair Dismissal Appeals Board under ORS 342-805 to 342-910.
- C. Just cause does not apply to the dismissal of a contract teacher or the non-renewal of a probationary teacher.

ARTICLE XII
PERSONNEL FILES

- A. Official personnel files shall be maintained in the Central Office. When any derogatory material is placed in the file, the teacher shall receive a copy and shall be given the opportunity to attach a written statement regarding the matter.
- B. The Association shall have access to an employee's personnel file at reasonable times during the work day after having given reasonable notice and having supplied to the District the expressed written approval from the employee.
- C. Documents related to written reprimands, teacher suspension or teacher discharges shall not be placed in the teacher's personnel file until the District has completed its investigation on the matter.
- D. No derogatory materials shall be placed in the employee's personnel file unless the member has received a copy of the materials.

ARTICLE XIII
GRIEVANCE PROCEDURE

The grievance procedure for teachers is attached as Appendix I and by this reference made a part of this Agreement.

ARTICLE XIV
SICK LEAVE

- A. A teacher absent from duty because of personal illness shall be paid his/her full salary for the period of such absence not exceeding a total of ten (10) days in any one school year, except where the ten (10) day leave is not used up on one school year, it is cumulative without limit.
- B. When a teacher will be absent from work, he/she shall give notice to the principal or the person designated by the superintendent to receive such notice. If the absence is for consecutive days, the principal should be notified of the probable date of return. A certificate by the employee's attending physician or practitioner that illness or injury prevented the employee from working may be required for sick leave in excess of five (5) consecutive days.
- C. At the time of employment by the Bethel School District, an employee shall be allowed up to ten (10) days per year sick leave accumulated in another school district; however, the employee must have been employed by such school district during the preceding year.
- D. A teacher returning from any illness, whether or not sick leave benefits have been paid, may be required to submit to a medical examination at the expense of the Board or furnish a medical doctor's certificate of health prior to returning to work, in order to safeguard the health of students and staff.
- E. If, at the beginning of a school year, a teacher previously employed for at least one (1) school year is ill and unable to resume his/her teaching duties and such teacher has unused accumulated sick leave days at the end of the prior school year, he/she will be allowed to use such previously accumulated sick leave days while he/she remains ill and unable to work. Such teacher shall not be credited with any additional sick leave days until he/she has returned to his/her teaching duties.
- F. Sick leave shall be allowed in accordance with state and federal statutes.
- G. All sick leave benefits shall terminate and/or be forfeited upon termination of

employment for any reason except retirement or transfer to another district as provided for by ORS 342.595 and/or 237.153. Upon retirement, one-half (1/2) of the unused sick leave will be allowed in accordance with PERS Administrative Rules.

H. Any employee obtaining sick leave benefits by fraud, deceit or falsified statement, shall be subject to disciplinary action.

I. INJURY ON DUTY

The absence of an employee because of illness or accident for which he/she receives compensation from the Workers' Accident Insurance Fund shall be considered as sick leave. Worker's accident compensation for time lost (but not disability settlements) shall be deducted from sick leave compensation paid to the employee by the Bethel School District. However, the amount of sick leave time charged against the employee's sick leave account shall be only that portion of each day for which he/she is actually compensated by the District. Such payments shall be discontinued when the employee's accumulated sick leave is exhausted or when the employee begins to receive Long-Term Disability benefits.

ARTICLE XV
EMERGENCY and PERSONAL LEAVE

A. Three (3) days emergency leave with pay shall be granted for emergencies of a serious nature that are beyond the teacher's control and must be taken care of during school hours. This leave is non-accumulative and must be scheduled in advance unless the nature of such emergency is such that advance scheduling is not practicable.

B. Two (2) days per year are granted for those times when leave is desired for personal commitments not of an emergency nature. At each year's end, if one or more personal days from the current year remain, one (1) day shall be carried over into the next year. One additional day from a past year may also be carried over. During any school year personal leave shall not exceed six (6) days. In no single year may a unit member utilize personal days in excess of four (4) days, except in a case where the district and the association agree that personal days may be donated to another Bethel employee for use in an extreme personal/family emergency.

1. Personal leave days shall not be used to extend school holidays or vacation periods.
2. Personal leave days must be approved in advance by the building

principal unless such leave is for emergency reasons as defined in “A” above. Personal leave may not be unreasonably denied.

- C. Leave under this Article shall be allowed when weather conditions make travel to and from school hazardous on days when teachers would otherwise be expected to work. When teachers are advised by the superintendent not to report for work on such days, they shall receive pay without loss of leave; however, the District may require teachers to “make-up” the days paid but not worked. Should personal or emergency leave be scheduled by a member prior to a weather related cancellation, that day shall not be charged against the member’s leave account.
- D. A teacher who does not utilize any personal leave (2 days) or emergency leave (3 days) during the school year, shall receive \$75.00 incentive payment. This payment shall be included with the balance of contract check that will be received in June.

This practice will be reviewed by the District and EEA each November to determine if the incentive payment will continue or be discontinued and to determine the dollar amount of the incentive. If either party wishes to discontinue the practice, it shall be discontinued.

ARTICLE XVI **BEREAVEMENT LEAVE**

Emergency and personal leave, as provided in Article XIV, plus three (3) accrued sick leave days, as provided in Article XIII, may be used for critical illness or death of a member of the immediate family of the employee, or to enable the staff member to be with members of the immediate family when an emergency occurs due to critical illness or death.

The immediate family shall be defined as spouse, children, (including stepchildren and children toward whom the employee stands in loco parentis), parents (including step-parents), grandparents and grandchildren, brother and sister (including step-brother and sister), mother and father-in-law, and sister and brother-in-law.

ARTICLE XVII **ASSOCIATION LEAVE**

- A. With prior notification to the superintendent, an aggregate of ten (10) days of non-accumulative leave with pay shall be provided designated Association

representatives for the transacting of Association business. The leave shall not be taken for the purpose of union governance. Up to four (4) additional days shall be allowed to attend the NEA National Insurance Conference.

- B. Up to fifteen (15) additional days shall be granted for Association leave. The Association shall reimburse the District for the cost of substitutes.
- C. The Association may request additional days, for which, if granted by the District, the Association will reimburse the District the cost of substitutes.
- D. This leave must be requested by the Association president or designee at least three (3) working days in advance of the commencement of the leave.

ARTICLE XVIII
COURT and JURY DUTY

If a teacher must appear in court on his/her own case, the pay of a substitute shall be deducted from the teacher's salary.

If a teacher is called for jury duty or is subpoenaed as a witness in a court case in which he/she is not personally named, the salary received for such duty shall be turned over to the District.

UNPAID LEAVES

ARTICLE XIX
INFANT CARE LEAVE

- A. A leave of absence without pay shall be granted for up to one (1) year for the purpose of infant care (birth to school age). It may be renewable annually upon approval of the Board. The application for such leave shall be given to the superintendent or designated representative no later than sixty (60) calendar days prior to the effective date of such leave and shall include a statement of the exact date on which the teacher wishes to terminate teaching. Such requirement may be waived where circumstances are such that it would be an unreasonable hardship.

A teacher on leave under the above conditions wishing to return to duty shall file a written request with the superintendent or designated representative at least sixty (60) calendar days prior to the date the teacher wishes to return to teaching prior to the end of the leave. A teacher on leave shall inform the District in writing, not later than April 1, of the teacher's plans for the next school year. The teacher may be required to furnish a physician's statement indicating that the teacher's health permits the teacher to resume the full responsibility of teaching.
- D. Any teacher planning for adoption will inform the superintendent or his/her designated representative of his/her plans. The leave for the adoption of a child shall begin at a time mutually agreed upon between the superintendent or his/her designated representative and the teacher.
- E. A teacher on infant care leave shall retain and be able to utilize sick leave benefits accrued at the time the leave is taken. A teacher who is unable to work due to a pregnancy related disability shall be allowed to use accumulated sick leave before the infant care leave takes effect. A teacher who is given leave but works one-half the number of contract days or more during the school year, shall be credited with a year's teaching experience.
- F. The District insurance may be maintained at the discretion of the teacher. Subject to approval of carrier, it can be carried for the duration of the leave by the teacher paying the premium.

- E. Full credit up to eight (8) years shall be given for teaching experience outside the District unless the position is, in the District's judgement, unique in that a pool of talented applicants is not available due to the restriction of eight (8) years of credit. When this happens, the District will have the discretion to offer more years of experience.
- F. Teachers who have been at the top step of Column E, F, G, or H on the salary schedule for at least three (3) years, shall be entitled to a bonus in December of their year of eligibility and every year thereafter. A person who has worked less than full-time during the previous twelve (12) years, will have the stipend and benefits prorated according to the time worked as a percent of 1.0 FTE during his/her total years of service.

This early retirement program shall provide as follows:

1. A monthly stipend of \$250 a month plus \$4.00 a month for each year of service in the Bethel School District beyond twelve (12) years until the employee's 62nd birthday. Effective July 1, 2011, a base monthly stipend of \$225 shall be utilized, (effective July 1, 2012, a base monthly stipend of \$200 shall be utilized) plus \$4.00 a month for each year of service in the Bethel School District beyond twelve (12) years until the employee's 62nd birthday.

When providing such Medicare secondary coverage the District will utilize any reduced monthly premium dollars toward reimbursement to the employee for the cost of Medicare Part A and B premiums. Any monthly reimbursement to the employee shall not exceed the monthly premium reduction provided by the carrier for secondary to Medicare coverage (Medicare carve-out).

3. The payment of the stipend will begin the month after the employee has retired.
 4. Stipend and insurance payment shall cease and the District's obligation shall terminate on the date an early retiree receives notification of eligibility for unemployment payments from the District (filed with the State Employment Service).

- D. Early retirement conditions:
1. The aggregate increased cost of a retiree's program (stipend plus insurance) shall not exceed six percent (6%) in any one year. Should

this occur, the retiree shall pay the excess insurance costs.

- E. There shall be two (2) signed copies of the final Agreement for the purpose of records. One (1) shall be retained by the District and one (1) by the Association.

C. **REPRESENTATION and RESPONSIBILITIES**

1. **REPRESENTATION**

Any aggrieved party may be accompanied at all stages of this procedure by a representative of his/her own choosing. The Association shall have the right to be present at all stages of the procedure.

2. **GROUP GRIEVANCE**

If, in the judgement of the Association, a grievance affects a group or class of teachers, the Association may submit such grievance in writing to the superintendent directly and the processing of such grievance shall commence at Level Two. The Association may process such a grievance through all appropriate levels of the procedure even though

the aggrieved party may not wish to do so.

3. NON-REPRISAL

No reprisals of any kind shall be taken by the Board or any member of the Administration against any participant in the grievance procedure by reason of such participation.

D. OPERATING LIMITS

1. TIME LIMITS

The number of days indicated at each level should be considered as a maximum. The time limits specified may, however, be extended by mutual agreement.

2. YEAR END GRIEVANCES

In the event a grievance is filed at such a time that it cannot be processed through the steps in this procedure by the end of the school term of the aggrieved, the time limits set forth herein may be reduced so that the procedure may be exhausted prior to the end of the school term, or as soon thereafter as is practicable.

3. MEETINGS AND HEARINGS

All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in this procedure. Every effort will be made by all parties to avoid interruption of classroom and/or any other school-sponsored activities.

4. WRITTEN DECISIONS

Decisions rendered at Level One which are unsatisfactory to the aggrieved party and all decisions rendered at subsequent levels of the procedure shall be in writing setting forth the decision and the reasons therefore and shall be transmitted promptly to the aggrieved and to the Association.

5. SEPARATE GRIEVANCE FILE

All documents, communications, and records dealing with the

processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

6. If the immediate supervisor or principal does not have authority in the matter grieved, the grievance may be initially filed at the lowest supervisory level where such authority exists.

E. **THE PROCEDURE**

1. **LEVEL ONE**

- a. The party with a grievance will, within fifteen (15) days of the time the grievant should have reasonably had knowledge of the facts upon which the grievance is based, discuss it with his/her principal or immediate supervisor with the objective of resolving the matter informally.
- b. If the aggrieved party is not satisfied with the informal disposition of his/her grievance, he/she may communicate a written grievance with his/her principal within ten (10) days of the informal meeting. This communication shall specify the contract clause in dispute and the specific remedy requested. The principal shall make a written decision within five (5) days and attach it to the original grievance. Copies shall be sent to the aggrieved and to the Association within five (5) days of the original written grievance.

2. **LEVEL TWO**

- a. If the aggrieved party is not satisfied with the disposition of his/her grievance at Level One or if no written decision has been rendered within the required time, he/she may within ten (10) days appeal to the superintendent. The appeal shall include a copy of the decision being appealed and the grounds for regarding the decision incorrect.
- b. At his/her discretion, the superintendent may either review the written record or hold a meeting with the parties in interest within ten (10) days of his/her receipt of the appeal. Written notice of the time and place of any scheduled meeting shall be given not less than five (5) days prior thereto to the aggrieved party and the Association.

- c. Within five (5) days of the meeting or review of the record, the superintendent shall communicate to the aggrieved party and to the Association his/her written decision that shall include supporting reasons therefore.

3. LEVEL THREE -- ARBITRATION

- a. Within ten (10) days of the decision at Level Two or if no written decision has been rendered within the required time, the aggrieved party may request to the Association that the decision rendered under Level Two may be submitted to arbitration. If the Association so determines, it may submit the contractual grievance to arbitration within five (5) days of receipt of the request from the aggrieved party. The District shall receive written notice of such submission.
- b. When a timely request has been made for arbitration, the parties or their designated representatives shall attempt to select an impartial arbitrator. Failing to do so, they shall within ten (10) school days of the appeal, jointly request the American Arbitration Association to submit a list of seven (7) arbitrators. Within ten (10) school days after the list has been received, the parties or their designated representatives shall determine by lot the order of elimination and thereafter each shall, in that order, alternately strike a name from the list and the seventh (7th) and remaining person shall act as the arbitrator. The striking shall be completed within twelve (12) school days following receipt of the list. The conduct of the actual hearing shall be according to AAA rules unless otherwise agreed to by the parties.
- c. The arbitrator shall interpret the Agreement and determine if it has been violated. He/She shall have no power to add to, subtract from, or to modify the terms of this Agreement. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning, and conclusions in the issues submitted. His/Her decision shall be submitted to the Board and to the Association and shall within the scope of his/her authority be final and binding on both parties.
- d. Costs of arbitration, other than the costs incurred by each party in presenting its case, shall be borne equally by the parties.
- e. No issue whatsoever shall be arbitrated or subject to arbitration

unless such issue results from an action or occurrence which takes place following the execution date of this Agreement, and no arbitration determination or award shall be made by the arbitrator which grants any right or relief for any period of time whatsoever prior to the execution of this Agreement.

- f. It is specifically and expressly understood and agreed that taking a grievance appeal to arbitration constitutes an election of remedies and a waiver of any and all rights by the appealing party, the labor organization, and all persons it represents to litigate or otherwise contest the appeal subject matter in any court or other available forum. Likewise, litigation or other contest of the subject matter of the grievance in any court or other available forum shall constitute an agreed waiver of arbitration.
